

ALCHEMIST

Alchemist leaders are aware how meaning is constructed and do their best to contribute to humanity.

FRAME OF MIND

- ⚠️ Aware that meaning is constructed, rather than inherent in things or events
- ⚠️ Self-identity is superseded by a more fluid and process-oriented self-view
- ⚠️ Intrigued by the human need for meaning making
- ⚠️ Aware about underlying process of meaning making
- ⚠️ See's the paradox in human needs for meaning while, simultaneously understanding the futility of such endeavor

BEHAVIOURAL TRAITS

- Less concerned with success and rewards
- Do their best to contribute to humanity
